MONEY! MONEY!! MONEY!!!

Just received word from one of our New York clients that he had piaced \$250,000 at our disposal to invest in Sait Lake real estate. We have decided to invest the whole sum in improving vacant property, and are prepared to erect about 100 modern cottages, a few terraces and two or three apartment houses. If you have ground suitable for improving, come in and see us. We will erect the kind of buildings most desirable, and you can pay for them the same as rent. Not a dollar in cash required. You furnish the ground, we furnish the money and do the building, and you make the ground pay for all improvements. Our proposition is the best ever offered. Come in and talk it over.
